

INCATEXT

Solutions for Increasing Workplace Protection

INCATEX

Commercial Furniture Manufacturer

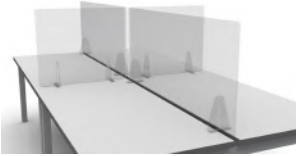

Adapting to the 'new normal' has been challenging.

And now, as we look to return to the workplace, it is vital that we continue to protect the population.

Inside you will find our solutions to help reduce the spread of the Coronavirus within a commercial environment.

Designed to protect, be easily cleaned and promote mental well-being, our solutions allow users to feel safe in their environment and inspire a positive attitude for returning to work...
