UK Manufacturer...

We are proud to use the Label 'British Made' and have, for almost 40 years, produced a wide range of quality commercial furniture from our Somerset home. Traditionally a Screen Manufacturer, we took the plunge into seating over 15 years ago and have never looked back...

All About us...

Unrivalled Choice with Tailor Made Solutions...

We pride ourselves in offering a variety of products, specifically designed by us to match current trends in the marketplace. However, if you require a bespoke service, we can adapt to meet your requirements, from working with you on the initial brief, to providing visuals, before supplying the finished product as required.

Proud of what we do...

Accredited with ISO 9001, we utilise our highly skilled workforce to manufacture all commercial furniture, ensuring quality by using specialist techniques, assured materials and adhering to industry standards.

A Helping hand...

Offering a flexible, hands on approach we understand the importance of a positive relationship between ourselves and our customers; going the extra mile is the ethos we follow, understanding that in this industry the impossible is often the norm.

If you order today, when can we have it?

We endeavour to manufacture and deliver all products within 10-20 working days, but we know there are occasions when this is not quick enough. If you need a product urgently then ask, if the materials are available, we will do everything we can to meet the deadline.

From Land's End to John o' Groats...

We offer UK wide delivery service to any of your offices or warehouses using our own vehicles and drivers. (On occasions we outsource to trusted and vetted partners). We can also offer a direct delivery service. Please ask our Sales team for further information.
